(1) The number of securities beneficially owned is determined under the rules of the SEC and the information is not necessarily indicative of beneficial ownership for any other purpose. Under those rules, beneficial ownership includes any securities as to which the individual has sole or shared voting power or investment power and also any securities which the individual has the right to acquire within 60 days through the exercise of any stock option or other right. The inclusion in the table of securities, however, does not constitute an admission that the selling holders are direct or indirect beneficial owners of those securities. The selling holders have sole voting power and investment power with respect to all securities or capital stock listed as owned by the selling holders.

- (2) Adjusted to reflect the two-for-one stock split of our common stock effected by way of a stock dividend distributed on August 31, 2000, and the resulting adjustment in the conversion price of the notes from \$80.64 to \$40.32 per share.
- (3) Acted as one of the initial purchasers of the notes.
- (4) As of May 22, 2000, Lazard Freres & Cie Paris owned 7,360 shares of our common stock. These shares are not part of this offering.
